Coaches shall determine date of conference matches by course availability. A schedule shall be set for the following year at the conference tournament. A team cannot host a nine-hole match and the 18-hole tournament in the same season unless coaches agree to do so. Shotgun starts may be used for nine hole meets but may not be used during the 18 hole conference tournament.

If there is a team tie, the teams with the highest total will be declared co-champions. Team champions will receive certificates.

Places 6-10 point earners will be named 2nd team all-conference and receive certificates. In case of a tie for conference medallist or to determine first or second team all-conference, a sudden-death playoff will take place.

JV Matches The conference JV matches will be conducted under a two division format. One division will be north schools (EC North, EC Memorial, CF, and RL) the other schools will be in a south division (Hudson, RF, Menomonie). Each team in their division will host one home meet for the other schools in their division.

Pertinent Information:

USGA rules will govern all play except where local rules may be invoked for special circumstances. During a nine hole conference match, if all competitors play and complete the same six holes the match will be considered a complete match. During the conference tournament if everyone plays and completes the same nine holes the tournament is considered complete.
