If not all schools are able to play an 18-hole match on a particular course, only the first 9 holes will be used for conference scoring.

There will be seven (7) total conference matches. All schools will participate at each meet. Each team will host one meet. Six (6) matches will be nine holes. the Conference Tournament will be 18 holes. The conference tournament will be rotated alphabetically by member schools. The home team is responsible for setting make-up dates if necessary by phone. Coaches shall determine date of conference matches according to course availability. A schedule shall be set for the following year at the annual by-laws meeting.

Team Points: 7-6-5-4-3-2-1

Individual Points: 10-9-8-7-6-5-4-3-2-1
