Lower level 4:45 p.m.  
JV games will be played at the opposite location as the varsity game on the following Monday  
9th grade games will be played at the same location as the varsity game on the preceding Thursday
- Uniforms:** Home team will wear dark
- Media/Results:** Home school will send results the BRC Secretary and media immediately after the game.
- Conference Championship:** Will be determined by conference record during the year. In the event of a tie, the championship will be shared.
- Tiebreaker Procedure For WIAA Seeding purposes only. (If needed)
- A. Head to head
  - B. Points allowed in 1<sup>st</sup> quarter of all BRC games
  - C. Points allowed in 1<sup>st</sup> half of all BRC games
  - D. Coin flip
- All-Conference Selection:** Selection will be made at annual meeting.
- There will be a 26 member first team all conference (medals).
- 12 offense (includes one tight end), 11 defense, one kicker, one punter, one specialist
- There will also be a 26 member second team all conference (certificates).
- 12 offense (includes one tight end), 11 defense, one kicker, one punter, one specialist

Voting will be done by position. Coaches will determine the makeup of the offensive and defensive teams using the following numbers..(ie...5-3-3 versus a 4-4-3 defensive alignment).

Process will be that nominations will be sent to AD in charge of meeting by the Friday before, tabulated and then sent back to coaches. Voting will be done position by position. At each position, coaches will discuss their players and then a vote will be taken. If there are five players(x) on first team for that position, each coach will list their top five choices for that team with 5 point given to their top choice, 4 points to their second, etc... This will be done for each position with corresponding points according to how many players (x) make first team. If only one player is on first team (for example the Quarterback), then coaches will designate 2 points for the top choice and 1 for the second.

The top x number of players will represent the first team while the second x number will represent second team at each position.

**Other Pertinent Information:** Team rosters sent to other schools will include height, weight, year and position. This should be sent at the beginning of the year to all schools

Exchange of game film/tape with teams outside the BRC is prohibited

Teams will now use an Open Library Pool system for film exchange through HUDL.

This format will continue throughout the year.

It is suggested that teams use an online format such as "HUDL", but at the very least, need to send a DVD. If the film is not of good quality, another film should also be sent.
